Danna Frank, Warren County	Stacie McCune, Hancock County	Cathy Stables, Todd County
Sharon Furlong, Warren County	Jeremy Meredith, Grayson County	Amber Thompson, Henderson County
Todd Gentry, Warren County	Dana Orr, Todd County	Annelle White, Logan County
Cindy Green, Green County	Carolyn Parnell, Metcalfe County	

GRREC SPECIAL EDUCATION

Welcome and Introductions

Kelly Davis

The meeting was brought to order at 9:00 AM by Dr. Davis making announcements and introductions.

Most Likely to Succeed

Documentary Viewing

EOY Training

Amy Patterson & Robin Linton

We have added new simple forms. The Medicaid form is a new one. You should use the new Medicaid form.

The Medicaid form is two pages and one page we only have to do annually but when it prints it prints each time and the teacher thinks they have to give it each time but it is only an annual thing. The second page you only do once.

Amy said in the mean time we need to fix this so it works. We are currently working on a new redesign. We have been working with SEAGIC since early September to see what this needs to look like.

Amy is working on trying to find a room at the KYCASE Conference to do training over the redesign. She is going to be developing tutorials and videos to put on the KDE website.

When will the tutorials be available since this is rolling out in July? And Amy said we are hoping to have them up by the first of June.

When you go under KY evaluations you check one of the three options correct? And Amy said you will have to create each document even though you have all the materials already. You will have to do them separately.

What will happen to the current KY Evaluations? Do we finish up the ones that are in the system that are not finished. Amy said she would have to take these questions and find out this information.

Someone asked if this will be like it used to be and Amy said yes it will be like it was.

There will no longer be the redundant accommodations, there will only be one now.

GRREC SPECIAL EDUCATION

Waivers

I am hoping to get all waivers processed and back to you by May so we can get everything cleared up before the end of school.

Reporting

Indicator 11 & 13 is due June 13th.

To find Indicator 11 & 13 for go to website and go to Exceptional Education, special Education Forms then look at forms and documents and you will find form 11 & 13.

Robin is the contact for Indicator 11

Yayo is the contact for Indicator 13 – The only thing that has changed with this form is that now there is a question number 50.

Will there be directions on how to pull Indicator 11 from Infinite Campus to run these reports because it seems like all of this is new? Amy said she would make sure the directions get put on the website. They did find where the directions were in the manual.

Dr. Davis said if you could ask because at one time districts were told to send their forms to the Coop directors.

Exit Report

This is found under KY State Reporting.

Amy said if you could when you know a SPED student is exiting if you could just make sure their contact information is as up to date as possible.

Discipline Report

With the Discipline Report you have to submit three files to me and they are due August 1st.

Discipline Reports are under KDE reports, SPED EOY Behavior Data.

Please do not make any changes to the files you pull from Infinite Campus because I have to go by what is in Infinite Campus.

LRE Code – If they are 6 by December 1st then the code should be a 6 LRE Code.

GRREC SPECIAL EDUCATION

Updates/Reminders

- Dr. Davis said I want to give a shout out to Hardin County Schools for hosting the Transition Fair. The reason we were able to do this fair was because of a grant through OVR and through all the hard work of Hardin County staff.
- We also have some extra OVR grant funds left over and Dr. Davis would like to offer it to any district to take a field trip before the end of the year, but it needs to be transition related and only for students with disabilities. If you could submit your ideas by the end of next week (April 29), that would be great!
- Congratulations to Meena Mann for completing her doctoral dissertation. She is now Dr. Mann 😊
- Congratulations to Betsy Flener who won a national award for creating an Assistive Technology product called Tactile Talk Toolkit. She received her award in San Diego in April and got to meet Stevie Wonder!
- The KY CASE conference will be July 12-13 and the agenda looks to be great! On July 11, there will be a session for new directors and July 12-13 will be for everyone. Kim Johnson can provide more details.
- Kristin Froedge is resigning from the SEAGIC task group and we are looking for a replacement. If you are interested, please contact Kelly Davis. This term will go until the end of the 2016-17 school year.
- The Eye Can Derby will be held on April 29 and there are many VI students registered to attend. It promises to be a great day!

The Meeting Adjourned at 1:45 p.m.
